Śrīla Bhakti Sundar Govinda Dev-Gosvāmi Mahārāj said:

“From Śrīla Bhakti Siddhānta Saraswatī Prabhupāda we have presently been graced with two expert, exclusive servitor-generals of Kṛṣṇa: our beloved Divine Masters Śrīla Guru Mahārāj and Śrīla Swāmī Mahārāj who are my honourable Dīkṣā-Guru and Śikṣā-Guru respectively. They constitute the overflowing reservoir of the fountain distributing Kṛṣṇa consciousness as well as Kṛṣṇa Prema-bhakti to every direction all over the world.”

Hawaii, New Zealand, Mexico, Colombia, Venezuela, Ecuador,
Srila Bhaktivedanta Swami Maharaj Prabhuapad said of Srila B.R. Sridhar Dev-Goswami:

“We are very fortunate to hear His Divine Grace, Orn Visvupad Paramahansi Parivrjakacharya Bhakti Raksak Sridhar Maharaaj. By age and experience, in both ways, he is senior to me. I was fortunate to have his association since a very long time, perhaps in 1930, something like that.”

“Sridhar Maharaaj lived in my house for many years, so naturally we had very intimate talks and he was my good advisor. I took his advices, instructions, very seriously because from the very beginning I know that he is a pure Vaishava, a pure devotee, and I wanted to associate with him, and tried to help him also. Our relationship is very intimate.”

“For spiritual advancement of life we must go to someone who is actually practising spiritual life. So, if you are actually serious to take instructions from a Siksai-Guru, I can refer you to the one who is the most highly competent of all my godbrothers. This is B.R. Sridhar Maharaaj, whom I consider to be even my Siksai-Guru, so what to speak of the benefit that you can have by his association…”

“Krsna and Prabhuapad (Srila Bhaktisiddhanta Saraswati Prabhuapad) liked him to prepare me.”

“Our relationship is very intimate. …I wanted to organise another organisation, making Sridhar Maharaaj the head.”

“What Sripad Sridhar Maharaaj has directed, I take it on my head. He is my always well-wisher. After the departure of Prabhuapad it is appropriate that I should accept his direction.”

Srila Bhakti Raksak Sridhar Dev-Goswami Maharaj said of Srila B.S. Govinda Dev-Goswami:

“Above all, he (Srila Bhakti Sundar Govinda Dev-Goswami Maharaaj) is well-known and unanimously acclaimed as being firmly established in the philosophy of the Perfect Axiomatic Truth of Bhakti as propounded by both myself as well as by my Divine Master—thus, I hereby appoint him as my Successor Sevaitie (Successor Guardian-servitor), Acharya, and President.”

“I am giving power. Just as when the King installs his son as King and retires himself, what will be the result? As Daasarath wanted to do with Rama Chandra. The King gives all the authority of a King to the son and retires to go to the jungle although he is living with full power and glory.”

“Actually in many ways he is more qualified than I am,” and also, “If you get to know him more intimately, more personally, you will come to understand what sort of transcendental character he has.”

“Whatever he desires, he has got the capacity to fulfill that.”

“Govinda Maharaj has got something from his previous life that may be utilized in the service of Mahaprabhu. We all hope and pray to the Lord that He may accept wholesale his service, and the world will be benefitted thereby. We have got such conviction.”

“So I believe he is endowed with some supernatural power, a sort of siddhi. That is my fair, sincere conviction: he has some supernatural power in him…”
